Though Incomparably Best, Burk Clothes

cost no more, actually less, than the inferior sorts sold elsewhere. Burk Clothes are sold direct to the wearer. No agents' profits, no middlemen's margins figure in their selling prices. In points of quality in fabrics, in tailoring, in style, in fit, they meet the most expensive of exclusive tailors on their own grounds with a saving of just about onehalf to the purchaser. Fashionable dressers, economically inclined, know and appreciate the logical reasons of these facts, and hence the constantly growing popularity of Burk Tailored Clothing throughout this whole community.

At \$12.50

You can buy here Suits and Overcoats in a wide range of fabrics and pattern, of better materials, better tailored and more distinctive in appearance than \$4.00 more will obtain at any other place.

At \$15

Burk Hand Tailored Suits and Overcoats, made from high-class fabrics brimful of style, honest workman-hip and skillful designing. Suits of all pure Worsteds, fancy Scotches and Black Unfinished Worlds. Overcoats in the new effect, fancy grays of blacks.

At \$18, \$20, \$22.50 and \$25

The Suits and Overcoats offered here are most emphatically beyond comparison. They exemplify the advantages and benefits of the Burk "Maker to Wearer" selling proposition and our greater mercantile power. They possess tailoring character found in no other ready-to-wear Clothes at anything like the price, and are made from fabrics usually contained in Clothes costing anywhere from \$5 to \$7.50 more at the average store.
